Future-Ready Education for Tomorrow's Leaders

IITM Group of Institutions, Sonipat

Letter from the **Founding Chairperson**

Mrs. Sushma Bajaj

Founding Chairperson
IITM Group of Institutions

The IITM Group of Institutions, Murthal, stands as one of the premier private educational groups in the Delhi-NCR region. We are committed to building a strong academic foundation that not only contributes to the scientific, cultural, and economic development of our nation but also promotes global engagement through educational exchange. At IITM, our goal is to set new benchmarks in academic excellence while nurturing students into well-rounded individuals prepared for the evolving demands of a globalised world. With dedicated faculty, industry-relevant programs, and a focus on real-world applications, we ensure that our students graduate with both knowledge and purpose.

In our ongoing pursuit of delivering impactful education, IITM has partnered with Sunstone, a leading higher education service provider known for its industry-integrated approach. This collaboration brings cutting-edge curriculum, hands-on projects, and placement support directly to our campus—ensuring students are not only academically strong but also job-ready from the very beginning. Together with Sunstone, we prepare our students to thrive in today's competitive job market while contributing meaningfully to society.

I warmly welcome all aspiring learners to IITM Group of Institutions and encourage you to make the most of this opportunity to achieve your fullest potential.

Letter from the **Founding Vice Chairman**

It is a privilege to welcome you to the IITM Group of Institutions, Murthal—an institution built to transform young minds into capable professionals and responsible citizens. In an era defined by innovation and industrial growth, quality education in engineering and management is more critical than ever. At IITM, we strive to provide every deserving student with the opportunity to pursue structured, career-focused learning. Our mission is to guide them toward excellence, helping them build a future they—and the nation—can be proud of.

To further strengthen this mission, we have partnered with Sunstone, a leading higher education provider focused on bridging the gap between academics and industry. Through this collaboration, students at IITM gain access to industry-aligned training, real-world projects, and placement support designed to make them job-ready from day one. With Sunstone's innovative approach to higher education, we are committed to not just awarding degrees, but building careers that last.

Mr. Munish Bajaj

Founding Vice Chairman
IITM Group of Institutions

Message from the **Chief Operating Officer**

At IITM, we are not just running an institute — we are building futures. As Chief Operating Officer, my focus is on creating a well-rounded ecosystem where students have everything they need to thrive — from smart infrastructure and digital classrooms to career-focused programs and skill-building platforms. We are committed to providing a campus experience that mirrors real-world professionalism — structured, supportive, and forward-looking. We aim to bridge the gap between campus and corporate, preparing students not just for jobs, but for leadership roles across industries.

Neelkantan Manikantan Namboodiri

Chief Operating Officer
IITM Group of Institutions

Message from the **Director General**

Discipline, structure, and excellence — these are the pillars I bring to my role at IITM. With years of experience in administration, I've seen how the right environment can bring out the best in young minds. At IITM, I ensure that every process, every system, and every policy is designed with precision, enabling our students to grow in a space that is both organised and inspiring. My mission is to maintain the operational backbone of the institute, so our faculty can teach better, and our students can learn without barriers. A well-run institution creates well-prepared individuals, and that is what we strive for every single day.

**Brig Dr. Sanjay K Singh
(Retd)**

About

IITM Group of Institutions

Established in 2010, IITM Group of Institutions has been a key player in providing technical expertise and fostering research in science, technology, engineering, management, and pharmacy. Spread across 13 acres along the Delhi-Amritsar National Highway, the campus is just 30 km from Delhi and 8 km from Sonipat. Supported by the DM Educational and Charitable Trust, IITM comprises IITM College of Science, Arts & Commerce, IITM College of Pharmacy, and the International Institute of Technology & Management.

At IITM, we focus on shaping future leaders who excel professionally while upholding strong ethical values. Our dynamic academic environment encourages critical thinking, exploration, and innovation. Faculty members from top institutions bring cutting-edge teaching methodologies to ensure a world-class learning experience.

Our modern classrooms, extensive library, and high-tech labs provide students with the perfect environment for academic and practical learning. Additionally, personality development programs help students refine their communication, negotiation, and business etiquette skills, preparing them for real-world challenges. With a commitment to excellence and global standards, IITM aims to equip students with the knowledge and confidence to become leaders in an evolving world.

Vision

To be a center of excellence in education and research, producing global leaders who drive innovation and societal progress.

Mission

To empower students with cutting-edge knowledge, foster research-driven academic growth, and nurture innovative professionals who contribute to national and global development.

Inspiring, Innovating & Exploring Academics

Innovative & Interdisciplinary Learning

Beyond textbooks, IITM encourages cross-disciplinary exploration, study abroad programs, and faculty-student collaboration.

World-Class Faculty & Personalized Learning

Students learn from renowned faculty in a close-knit environment, fostering personalized mentorship and innovation.

Industry-Oriented Training & Certifications

Hands-on training with industry leaders like Godrej & Boyce, plus certifications that boost employability.

Experiential Learning Through Workshops & Webinars

Seminars, guest lectures, and online webinars keep students updated with industry trends.

Industrial Visits & Real-World Exposure

Frequent industry visits and corporate interactions provide hands-on professional experience.

Student-Centric Feedback System

An open feedback mechanism ensures continuous academic and training improvements.

| CAT/ XAT Percentile | Scholarship % on Total Tuition Fee |
|---------------------|------------------------------------|
| 95+ | 95% |
| 90-95 | 75% |
| 85-90 | 50% |
| 80-85 | 35% |
| 70-80 | 20% |

For B.Tech Students

Scholarships for B.Tech aspirants are granted on the basis of JEE Mains scores, honouring students with strong academic performance.

| JEE Mains Percentile | Scholarship % on Total Tuition Fee |
|----------------------|------------------------------------|
| 95+ | 95% |
| 90-95 | 75% |
| 85-90 | 50% |
| 80-85 | 35% |
| 70-80 | 20% |

Student Life & Clubs

At IITM, student clubs are more than just extracurriculars—they're vibrant communities built to help students pursue their passions, explore their interests, and connect with like-minded peers. Whether you're into tech, the arts, business, or community service, there's a club for you.

Being an active club member helps students discover their personal interests, develop clarity about their goals, and build valuable skills such as leadership, teamwork, organization, and multitasking. It also provides a perfect platform to strike a balance between academics and hobbies—enhancing both personality and resume.

IITM Group of Institutions understands the value of holistic development and supports student clubs by offering the resources and encouragement they need to thrive.

Step Into the Future with New-Age Learning

Letter From Founder's Desk

With time, the importance and meaning of education has changed. A college degree alone is no longer sufficient in today's fast-paced world. Relevant education goes beyond theoretical knowledge; it should involve practical application and lead to better job opportunities.

At Sunstone, we bring together the best of learning and industry practices to ensure that students are transformed into professionals who are noticed by employers. We believe in an education that imparts the right knowledge while equipping you with the skills and experiences necessary to thrive in real-world scenarios. Our courses integrate academic excellence with practical skills to foster critical thinking, creativity, and adaptability—essential traits to stand out and excel in the ever-changing global workforce.

Currently, Sunstone School of Technology & Sunstone School of Management delivers accountable education at 25+ top colleges and universities across India.

Sunstone is transforming India's future workforce, one student at a time, and we proudly invite you to take the first step towards your dream job with us!

About Sunstone

Founded in 2019, Sunstone is one of India's leading higher education companies that works with top colleges and leading recruiters across India to connect students with their dream careers. We enhance your employability by focusing on skill development. Our industry-aligned curriculum, crafted and taught by industry experts, prioritizes hands-on learning to ensure that our education translates into real-world job readiness and measurable success.

Sunstone's career-oriented approach has earned the trust of 10,000+ students enrolled with Sunstone School of Management (for MBA & BBA courses) and Sunstone School of Technology (for MCA, BCA & B.Tech courses) at 25+ leading higher education institutions across 15+ cities.

Moreover, with a pan-India placement panel featuring more than 1,200 recruiters, we've successfully assisted 5,000+ students in securing their dream jobs. This showcases the tangible value and effectiveness of our unique educational model, reflecting our dedication to delivering truly accountable education!

Hostel Facilities at IITM

A Home Away from Home

IITM Group of Institutions offers separate hostels for boys and girls, equipped with modern amenities and a hygienic mess. With students from over 10 states, our hostels provide a safe, comfortable, and vibrant living environment.

Facilities include air-cooled rooms, internet access, solar-heated water, indoor/outdoor sports courts, a canteen, and 24/7 security. Daily housekeeping and caring wardens ensure students enjoy a clean, supportive space to focus on their studies. Conveniently located near the city's transport hubs.
