Institution Vision:

To be a centre of excellence in education and research, producing global leaders in science, technology and management

To serve as a valuable resource for industry and society, and remain a source of pride for all Indians.

To contribute in the improvement of life by application of knowledge.

Institution Mission:

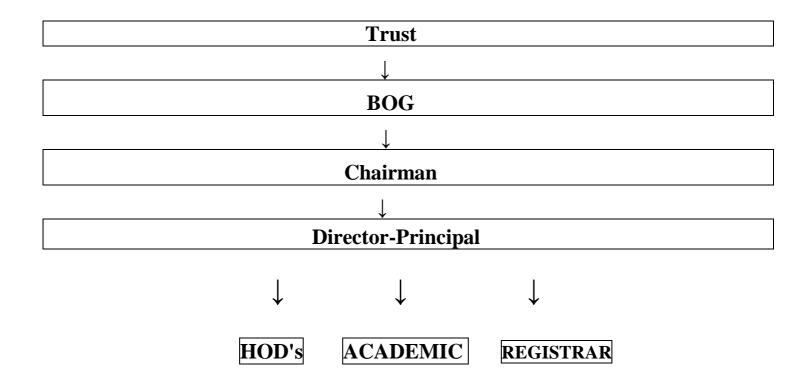

The Institute aligns all its activities to serve national interest and seeks to draw the best expertise in science, technology and management so as to equip students with the skills to visualize, synthesize and execute projects in these fields.

To generate new knowledge by engaging in cutting-edge research and to promote academic growth by offering undergraduate and postgraduate programmes.

To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders can emerge in a range of professions.

To create an environment that shall foster the growth of intellectually capable, innovative and entrepreneurial professionals, who shall contribute to the growth of Science and Technology in partnership with industry and develop and harness it for the welfare of the nation and mankind.
